Early Childhood Program: The first five years of a child's life are the foundation for learning and development. Lund's 5-star (highest possible) rated program serves 50 children from birth to 5 years old, five days per week. The program also partners with another nonprofit to provide on-site and community based therapeutic services to children and families in need.

New Horizons Educational Program (NHEP): NHEP is a state-licensed high school that provides a supportive educational environment for pregnant and parenting women. In addition to the standard curriculum, our program integrates important life skills instruction, including parenting education and financial literacy.

The kids-a-part program aims to reduce the traumatic impact experienced by children during a mother's incarceration. The program uses best practices that promote safe and healthy contact during parental incarceration; ensures necessary supports are in place for the family; and improves the capacity for our systems to meet with these families. The program includes services in the women's facility, as well as community-based supports for caregivers and children.
