serving birth parents, adoptive families and adoptees with counseling,

post-adoption support, and search/reunion. Lund works with the State to

run project family, which finds homes for Vermont's waiting children.

Lund is Vermont's only residential treatment for pregnant or parenting

adolescents/women, and their children and is a designated parent child

center. Other services include outpatient substance abuse/mental health

treatment for women and children; home visits to at-risk families; high

school/college support services for pregnant and parenting women;

quality childcare/early education; and teen pregnancy prevention

educators provide guidance, support and information based on what the

family needs, with an aim toward promoting the health and development

of young children and increasing positive parenting by enhancing

parenting skills.

and families in need.	

New Horizons Educational Program (NHEP): NHEP is a state-licensed high school that provides a supportive educational environment for pregnant and parenting women. In addition to the standard curriculum, our program integrates important life skills instruction, including parenting education and financial literacy.

The kids-a-part program aims to reduce the traumatic impact experienced by children during a mother's incarceration. The program uses best practices that promote safe and healthy contact during parental incarceration; ensures necessary supports are in place for the family; and improves the capacity for our systems to meet with these families. The program includes services in the women's facility, as well as community-based supports for caregivers and children. Lund provides training, education, and consultation about the impact of parental incarceration and best practices for supporting children and families to Vermont Department of Corrections staff, schools, community-based agencies, and other groups to enhance community-wide understanding of the issue.

Supervised Visitation: Sometimes, children and families need a safe and neutral setting to maintain contact with a non-custodial parent to support safe exchange between caretakers. Lund's Supervised Visitation and Exchange Program provides this opportunity to families in Chittenden County.
