Form 990, Part III, Line 1, Description of Organization Mission:
in a safe, secure, and loving family. Our programs wrap around families
to meet them where they are and stay with them during their whole
parenting journey.

Lund has been helping Vermonters since 1890, and we are committed to
being a welcoming, supportive, and helpful environment for children and
families when they need us most. Our programs help approximately 5,800
people each year across Vermont.

Form 990, Part III, Line 4a, Program Service Accomplishments:
and strong grounding in parenting and in their recovery after leaving
Lund.

Form 990, Part III, Line 4b, Program Service Accomplishments:
visiting programming helps support the unique needs for the families in
our community. At Lund we provide Family Education through a
responsive home visiting model and Parent Education through Parents are
Teachers a sustainable evidence based home visiting model. Both
programs are for families with children under the age of 6 years old
and enrolled in Medicaid.

Family Education: Family Education is available to families with a
child age 6 or under in Lund's residential program, as well as through
home visitation with families across Chittenden County. Lund family
educators provide guidance, support and information based on what the
family needs, with an aim toward promoting the health and development
of young children and increasing positive parenting by enhancing
parenting skills.

Parent Education: Certified Parent Educators focus on understanding
each family's specific strengths. The goals that the parent educator
and families set together are informed by, but not limited to, the
findings of family-centered assessment and child screening. Each goal
should focus on one of the three areas of emphasis: parent-child
interaction, development-centered parenting, and family well-being.

Early Childhood Program: The first five years of a child's life are the
foundation for learning and development. Lund's 5-star (highest
possible) rated program serves children from birth to 5 years old, five
days per week, year round. The program also partners with another
nonprofit to provide on-site therapeutic services to children and
families in need.

The Kids-A-Part Parenting Program aims to reduce the traumatic impact
experienced by children during parental incarceration. The program uses
best practices that promote safe and healthy contact during parental
incarceration; ensures necessary supports are in place for the family;
and improves the capacity for our systems to meet with these families.
The program includes services within two correctional facilities:
Chittenden Regional Correctional Facility (women) and Northern State
Correctional Facility (men's). Programming includes enhanced case

coordination for incarcerated parents, Parent education for incarcerated parents, opportunities for parents and children to connect (thought video and in person visits, Mom's/Dad's Mail, Storybook), as well as community-based supports for caregivers and children. Lund provides training, education, and consultation about the impact of parental incarceration and best practices for supporting children and families to Vermont Department of Corrections staff, schools, community-based agencies, and other groups to enhance community-wide understanding of the issue.

Supervised Visitation and Exchange: Sometimes, children and families need a safe and neutral setting to maintain contact with a non-custodial parent to support safe exchange between caretakers. Lund's Supervised Visitation and Exchange Program provides this opportunity to families in Chittenden County. Our staff work with children, parents and guardians to facilitate safe visitation and exchange, and communicate with family court as necessary to assist in on-going evaluation of visitation.

Form 990, Part III, Line 4c, Program Service Accomplishments: identify strengths and needs, establish goals and connect with community resources to celebrate milestones and to address challenges that can arise for families whose children have experienced a traumatic start in life. Lund supports adoptive and guardianship families at any time in their lives, regardless of their ability to pay. Discovering Your Roots services help members of the adoption constellation find information and connection to their birth families. Lund partners with the Jockey Being Family Program to give a personalized backpack, blanket and teddy bear to every child on their adoption day. 196 individuals from 143 families received post permanence services. 740 individuals used Lund's Discovering Your Roots services to find information and/or connect with birth families.
